

# Lisa Hansen Physiotherapy

*You're in good hands!*

*Lisa Hansen physio clinic has had some physical changes recently - partly because of our continuing growth and also because the previous Victoria Clinic on Victoria St has shifted.*

## St Pauls Collegiate 77 Hukanui Road

Nestled in the beautiful surroundings of this college - a new clinic with capacity for four physiotherapists. Our services there are for our regular patients as well as to the health and wellbeing of the students at this school.

## Victoria Clinic 173 Anglesea Street

Nestled in the same building as the new Victoria Clinic medical centre - this clinic has capacity for two physiotherapists.

We continue to provide physiotherapy services from these locations:

- **Alison Surgical Centre clinic**  
66 Alison Street
- **Hamilton East clinic**  
14 Beale Street

All phone enquiries go through our main phone line **07 838 3798** and our friendly receptionists will arrange appointments with the physio or clinic location that best suits the patients needs.
